ATTACHMENT

(AFFIDAVIT CONTINUED)

On December 18, 2014 at approximately 12:30am, USBP Agent Manuel E. Barreda was conducting surveillance from the Gallinas Road Range marker on the north side of the Brownsville Ship Channel. USBP Agent Barreda noticed something crossing the ship channel which was later found to be five subjects. USBP Agent Barreda repositioned himself and spotted five individuals traveling north from a brushy area and appeared that they were carrying back pack type bundles.

USBP Agent Barreda called for assistance and when they arrived, the five subjects ran back towards the brushy area. USBP Agents who responded caught one individual in possession of a bundle of marijuana strapped to his back. The remaining four individuals ran into the brushy grass area and attempted to hide. USBP Agent Barreda called for assistance to set up a perimeter around the brushy area while still maintaining visual on the remaining subjects.

When additional Border Patrol Agents arrived and the assistance of a DPS Helicopter equipped with (FLIR) Forward Looking Infrared Device, the remaining four individuals were contained within a small area. DPS Pilot and USBP Agent Barreda were able to guide field agents to the individuals' location which led to their apprehension. All five individuals were transported to the Fort Brown Border Patrol Station where one of the five individuals was found to be a juvenile.

Task Force Officer Joe Villarreal and other TFO's/Agents responded to the Fort Brown Border Patrol Station and Mirandized all four adults. TFO Villarreal interviewed Edurado OLGUIN-Baltazar who stated that he understood his rights and was willing to answer questions without having an attorney present. OLGUIN-Baltazar implicated himself as the one caught with a bundle of marijuana strapped to his back. OLGUIN-Baltazar also implicated the other three adults named above and the juvenile as being involved in the seizure of 142.83 kgs of marijuana seized by the ship channel. The remaining three individuals requested representation after being Mirandized.

B-14-1139-MJ

Once at the Fort Brown Station, USBP Agent Frank Zuno field tested the green leafy substance from one of the bundles with positive results for marijuana. USBP Supervisor Joaquin Zamora witnessed the field testing and confirmed the total weight of the 5 bundles to be 142.83 kilograms of marijuana
